## Presenter with Straps

Flexible top and bottom straps makes it easy for your staff to secure menus, wine lists, and daily specials to the menu holder. These straps also ensure quick, easy changes from one sheet to another, with a simple design that's intuitive to use. Simply grasp the strap and pull away from the menu holder, far enough that you can slide the insert beneath. Release and repeat with the other strap..

MAIN DINNER

## Knife and fork

Made of stainless steel, this knife is designed with the finest materials and the highest standards in mind. It contains 18% chromium to promote an extremely durable final product that is both corrosion and stain resistant for years of service. It also contains 8% nickel for a soft luster look that'll impress guests.

## Four suits

creating an unforgettable tabletop display is always effortless. Serve this knife with hearty meat entrees at your restaurant, bistro, or cafe. Its tasteful design and heavy weight make it elegant enough for a catered event, but its simplicity also make it a great everyday choice to go along with your standard dinnerware
